

Introduction

For all users to properly view and utilize all the features of Galileo® K-12 and the Galileo *K-12 Student-Parent Center*, please ensure that the following URLs are whitelisted on network security devices. Note: Traffic should be allowed through ports 443, except for the ATI corporate website which needs access through port 80. Galileo web applications use SSL on all pages.

Galileo Whitelist URLs

Required Websites:

URL	Description
www.assessmenttechnology.com galileo.ati-online.com	Primary domains used by Galileo including Student Center.
